

Data Protection Changes

Due to the changes in data protection regulations (GDPR) which come into effect on 25th May 2018, we must ask our students and parents to review how they would prefer to be contacted by Elite Ju Jitsu. We will never share your details with any third party, nor use them for marketing purposes ourselves. All details we collect on membership application forms are kept on a password protected database for insurance, and contact on club matters only. Details of former students are kept for two years after their last expiry date with us, and then are permanently deleted.

Please note, students aged 13 and above are required to enter details and sign in accordance with GDPR

Please enter your current details below each method of communication you agree to us using
